

VOLTEGE GOLF BATTERIES

SUPERIOR PERFORMANCE PAST THE 18TH HOLE

FVP's VoltEdge® Golf Cart and Commercial Electronic battery series are a hole-in-one providing long-term dependability and maximum runtime. The GC2, GC8, and 12-volt golf cart products are available making it easy to provide your customer with exactly what they need for golf carts, aerial platforms, scrubbers, and more. Additional benefits include:

QUALITY PRODUCTION AND PERFORMANCE

Utilizing the finest materials paired with technical developments and production enhancements which deliver a battery with superior performance, durability and reliability day-to-day.

HIGHER DENSITY PASTE

Optimizes energy density and prolongs cycle life by resisting material shedding and plate deterioration.

FIBER REINFORCED SEPARATORS

Retains cell compression during cycling and improves plate life in high vibration applications.

OPTIMIZED PLATE DESIGN

Balances structural design with performance.
