

FVP FRICTION BRAKE PADS

FVP Brake Pads are designed and tested to meet OE standards.

PARTS ENGINEERED FOR THE PROFESSIONAL

FVP Brake Pads are designed with Professional Friction Technology (PFT). Providing OE quality and performance when installed correctly, the FVP Friction lineup is engineered to meet the high standards of today's professional technicians.

Hardware is included, where applicable, to ensure noise-free braking and optimal performance and reduce comebacks.

FVP Brake Pads are manufactured to be application specific and are post cured to deliver even wear throughout the life of the pad.
