

FVP

ECO-RACK SYSTEM

SAVE TIME, SAVE MONEY, SAVE WASTE.

The FVP Eco-Rack System™ brings the convenience of bulk oil without the cost and space requirements needed for totes or drums. The FVP Eco-Rack System™ holds six boxes; each box contains six gallons (24 quarts) of oil. When empty, the cardboard box can be recycled, resulting in significantly less waste and reduced cost when compared to bottles.

Available in:
